

AMPLIFY WINES SANTA YNEZ VALLEY CARIGNANE

100% Carignane. The aromatics are very concentrated, and lean heavily toward the spice box end of the spectrum. On the palate, there is incredible concentration for such a delicate wine. They have experimented so much with maceration times that they've found that sweet spot between textural depth and weightlessness. A fresh and bright, light and brilliant bottle.

Native yeast fermentations; neutral vessels for fermentation and aging; no additions of any kind except for minimum effective sulfur dioxide; and farming that seeks to establish a healthy ecosystem, enhancing and supporting the natural characteristics of a given place.

Unfined, unfiltered and hand bottled by gravity.

Cameron and Marlen Porter, a husband and wife team born and raised in Santa Barbara County, first bonded over a shared love for wine and music, and Amplify is a natural extension of this marriage between their two greatest passions. The exploration, and elevation, of their growing region has been their life's work. As winemakers, they seek to amplify the voice of site and enhance the most singular characteristics of a given vineyard, marrying a sense of place with a sense of style. They embrace the happy accident, letting intuition guide their hand, with their creative spirit and palates as their primary tools.
