

DR. HERMANN WINES RIESLING TROKEN

100% Riesling; vine age between 16 and 21 years old. Light yellow color. Beautifully perfumed nose with scents of peach, lime and tangerine with tender mineral and herbal notes. Well balanced. Clear, fine, fruity flavors. Tightly knit with an acid structure rich in finesse, exuding delicate hints of lemon. Vivid and vibrant with a vigorous long finish that comes back in a wave of stone fruit flavors. Goes best with fish; also very good with spicy food, especially Asian cuisine.

The vines are between 16 and 21 years of age. The grapes are hand harvested and come from the Erdener Herrenberg vineyard which has mainly blue slate with some red slate and clay. Harvested at optimum ripeness, the must is fermented in stainless steel tanks then the wine is kept on the lees for four months.

Founded over 400 years ago in Mosel, Germany. Dr. Hermann Winery, the Riesling-Estate, is 16 acres and managed by the father and son team of Rudi and Christian Hermann. Their philosophy is that quality starts in the vineyard with restrained pruning, hand harvesting, natural and careful cultivation of vineyard soil. The result is beautiful, elegant wines from some of the most famous vineyard sites in the world. The Hermann's specialize in Riesling grown on steep rock slopes of the famous vineyards of the Erdener Prälät, Erdener Treppchen, and the Ürziger Würzgarten. All of their vineyards grow exclusively on old vines, ungrafted Riesling vines which deliver beautiful, complex Riesling wines.
