

LA REINE DE LA VILLE VERMENTINO, ÎLE DE BEAUTÉ

100% Vermentino. Medium bodied, dry and delicate with lemon peel, melon and pear notes. The palate is fine and balanced with bright acidity and lush fruit culminating in a long citrusy finish. The wine's sunny origin is clear from its fruity profile, but this is balanced out nicely by lively acidity and mineral notes. Wonderful on its own! Try paired with salmon, poultry and soft, light cheeses.

Reine de La Ville comes from the incredible Mediterranean island of Corsica. It is produced under the "Ile de Beaute" IGP which translates into "The Isle of Beauty"(a traditional French synonym for Corsica.) Granite, shale and limestone make up the majority of the soils. Traditional vinification under controlled temperatures to allow for retention of fresh aromas and fruit flavor.
