

OMIKRON AGIORGITIKO

100% Agiorgitiko (Nemea grape Variety). The noblest indigenous variety of Greece, in its fresh version. Deep red in color. Attractive, intense aromas of cherry, red berries and vanilla. Great berry flavors. Quite complex for a fresh wine. It is bright with soft tannins, a velvety taste and a very smooth finish.

From the Nemea Valley, Corinth, Peloponnese.

Omikron as a brand was developed to introduce the wine consumer to the key indigenous grape varieties of Greece. Using the three most important grape varieties Agiorgitiko, Moschofilero and Roditis to produce a collection of wines at an introductory level of cost but with estate quality must. Value was and is the most important aspect of this project both for the by the glass and wine list business in restaurants as well as super value on the shelf.
