

PIERRICK HARANG MINERVOIS 'LE BIO' DE BALTHAZAR

Syrah and Grenache Noir. Red ruby color with purple reflections. Expressive aromas of rosemary, black currant, black cherry, licorice, Mediterranean herbs and a touch of smoke. Anchored by savory tannins, it delivers a burst of jammy red fruit and licorice to the palate. Soft tannins and ample in the mouth, the end is fruity and velvety.

Perrick Harang comes from a line of five generations of wine merchants and oenologists, all sharing the same drive to create the best. Pierrick graduated top of his class at the school of Oenology in Montpellier back in 1998. He went on to become the wine buyer for a large co-operative in Roussillon, then started his own company in 2007. He has extensive knowledge and experience working with many different vineyards in the Languedoc-Roussillon region. He brings technical expertise and scientific mastery of winemaking and closely follows the worlds' evolution with a focus on emerging trends and demands. In this manner he operates under the idea that "a wine must belong to its time." Pierrick represents the "new generation" of wine makers in France. His wines garner top accolades from the world's wine media.

Today he is a consulting oenologist for many private estates in France and abroad, while making his own line of wines with one of the most respected co-ops in the south of France, Les Celliers Jean d'Alibert. He selects about 2% of the fruit available to make a line of fresh and vibrant reds and whites.
