

# JOSEF & PHILIPP BRUNDLMAYER ZWEIGELT ROSÉ

100% Zweigelt. Aromas of strawberry, raspberry, and lemon with delicate herbs. Flavor brimming with fruity, berry notes and lemony minerality. Dry with fresh acidity and a delicate texture. Slight strawberry on the finish. When well-chilled, it makes an excellent aperitif. Pair with rustic salads, appetizers, pasta salad, or grilled light meat.

From the Kremstal Appellation in the Weinland Region of Austria. The grapes are selected in the vineyards and harvested by hand at optimal ripeness. Fermentation and aging on the fine lees in stainless steel tanks.

Josef Brundlmayer started out making wine as a side project in 1980 with not much more than his hands and a passion for wine. By 1990 it had blossomed to become a true calling. Over the decades, the family farm would be transformed into a respected winegrowing operation. Small, but perfectly formed with well-kept vineyards, managed by people for whom family means everything. In 2015, his son Philipp took the reins and continues with a passion for wine, craftsmanship, and family tradition. Philipp had the luxury of inheriting 45 acres scattered over 52 plots: mainly Gruner Veltliner and many of them the top sites in the Krem Valley. Most of their sites are on the rich loess terraces of the two villages of Gedersdorf and Rohrendorf. Many of the steps in the winegrowing process are completed by hand, using techniques passed down from one generation to the next. They plant greenery to ensure diversity and fertile ground and to preserve the integrity of the vineyards. Philipp doesn't use insecticides, herbicides or chemical fertilizers. Every single vineyard is vinified separately in order to mirror the terroir and its differences as precisely as possible.
