

# BROADBENT DOURO RED

Tinta Roriz, Tinta Barroca, Touriga Nacional and Touriga Franca. Dark purple in color with an electric pink rim. Aromas of fresh blackberry, dark cherry, black plum and blueberry, with secondary notes of violets, purple lilacs, cracked pepper and dried herbs. On the palate, the wine is medium bodied with pleasant acidity, fresh dark fruit, medium tannins, and a fruit driven finish. The perfect everyday red.

Sourced from a variety of vineyards around the Douro region. A blend of the top traditional red varieties of the Douro are harvested at optimal ripeness, with a focus on retaining balanced acidity. After being destemmed and crushed, the grapes went into stainless steel vats for fermentation.

The Broadbent name has been synonymous with fine wine for more than six decades, beginning with the renowned career of British wine writer, auctioneer, and Master of Wine, Michael Broadbent, and continuing with his son, the importer Bartholomew. Bartholomew Broadbent's deep roots in Portugal inspired him to create his own range of Ports, Madeiras, and table wine.

Bartholomew's love for Portuguese wines stems from their eminent drinkability, restrained alcohol levels, and the balance, which makes them versatile enough to pair with all kinds of everyday dining. Bartholomew worked on building the market for at least 10 major Port brands, so it was only natural that his next step would be to develop his own. He was looking to make wines that were friendly on the palate, yet with enough quality to please the discriminating connoisseur at an affordable price.
