

CHATEAU TASTA FRONSAC

100% Merlot. Flattering aromas of fresh fruit combined with fine woody notes. The palate is round and delicious. Supple, light and fresh. Elegant tannins, with a long finish. Ideal for storing. A pleasure wine! Made for sharing special moments with family or friends.

Château Tasta is located at the heart of the Fronsac and Canon Fronsac appellations between Libourne and Bordeaux, and enjoys a view of the small valley of St Aignan to St Michel de Fronsac. The vineyard covers 44 acres of clay and limestone. There is regular sunshine. The vinification remains traditional. Long maceration. Fermented in cement tanks. Aged in barrels for 10-12 months.

The estate has been owned by the Chevalier family since 1922. Each generation of winemakers and their respective spouses have made their mark. Over the decades they have produced a wine that reflects their passion and dedication. In 2001, the torch passed down by his father Robert, Patrice Chevalier took over with his wife Frédérique. They retain the tradition of their ancestors.
