

DEUX MOULINS VIN DE FRANCE PINOT NOIR

100% Pinot Noir. Aromas of strawberry and cherry with herbal notes. Flavors of cranberry and cherry with impressive minerality and a bit of spice. Light and dry with soft tannins and fruity richness.

Elegance and finesse. An exceptionally delicious French Pinot Noir.

The fruit that goes into the Deux Moulins cuvée is a blend of Pinot Noir from the Loire Valley and the Languedoc. The Loire Valley component (approximately 50%) comes from vineyards planted in the 1990s in Chateaumeillant, Loire Valley. The soil is made up of sand and gravel. The other half is from Gers in the Southwest of France. Thermovinification; The must and the grapes are heated up to 149°F and then cooled down after 10 hours of maceration. Fermentation in stainless steel tanks under lower temperatures around 68F.

Each year, Paris Wine Company tastes and selects the best cuvées for the Deux Moulins label and founder Joshua Adler uses his knowledge of French wine regions and strong connections with producers to create custom bottlings for The Good Wine Project. The project focuses on discovering good wines at great prices with fun labels. The label artwork for Deux Moulins was created by Matthieu David, a key figure in the Paris Wine Company family. *"The Deux Moulins wines are some of the most delicious values in France. They are selected to be perfect for everyday consumption and are easy to drink on their own or with a wide variety of dishes."* - Joshua Adler
