

# CHAPMAGNE HENRIOT NV BLANC DE BLANCS

100% Chardonnay. A wine of superb freshness and minerality that charms with its astonishing complexity and length. Masterfully blended with an intense floral nose and hints of quince jelly and acacia honey, citrus, wet chalk and subtle pastry aromas. Incredible velvety texture accompanied by an extraordinary freshness. Exoticism and exuberance balanced by elegance and finesse. The flagship wine of the house, it benefits from the addition of 30-50% reserve wines. Each cru planted with Chardonnay from the Henriot vineyard is represented in the blend every year. Produced from 2/3 Premier and Grand Cru vineyards. Aged for 4 years in dark Henriot cellars in Reims.

Champagne Henriot: The Audacity of Independence. Founded in 1808 by Apolline Henriot, Champagne Henriot is one of the few remaining family-owned Champagne houses, with more than 200 years of independence & heritage. The House has cultivated an audacious approach & a distinctive, elegant style of its own, guided by the finest terroirs in the Côte des Blancs & Montagne de Reims as well as a conscious & sustainable approach to the environment. They use a remarkably high proportion of Premier & Grand Cru vineyards (2/3 minimum), long aging on lees, high portions of reserve wines & keep the art of blending at the core of their style & philosophy.
