

BAVA COR DE CHASSE GAVI DI GAVI

Gavi is a wine made of the noble Cortese grapes; the grapes, in an elegant & delicate way, develop intense varietal fragrances. Straw yellow in color with green reflections turning golden over the years. The palate is dry, fresh & harmonious, medium-bodied, soft & captivating. Elegant & charming.

Gavi is the heart of the surrounding 11 villages, central to all the other towns where the wine is produced. Gavi is among the most important Piedmontese whites, it is considered a classic and elegant wine that brings freshness to food and wine pairing. Bava has produced it for over fifty years and know that this Gavi makes the Cortese grapes noble with its elegance and charm. From the Lomellina vineyard, westerly facing at 300m altitude. The clay is clay and marls, rich in mineral content. Gentle pressing of the grapes is followed by cold racking of the must and fermentation in steel vats. The wine is aged on lees until the new year when it is bottled.

The Bava Family has grown grape vines in Coconato, a village that rises steeply up the hillsides of the Monferrato Astigiano territory in Piedmont, Italy, since 1600. In 1911 the family built their first wine cellar there. Since then, over a hundred vintages have gone by, with six generations following one another. The best Bava Barberas are renowned in the world thanks to their high quality. Now the family estate extends over 123 acres of vineyards & 50 acres of natural fields & woods, cultivated with the same awareness, care & attention of the olden times; a sustainable agriculture with a reduced environmental impact.
