# BODEGAS ARAGONESAS
ORGANIC GARNACHA

100% Garnacha. Intense strawberry, raspberry and plum aromas. Dry, medium bodied and smooth with plump fruit and hints of spice, moderate tannins and refreshing acidity. Very versatile, excellent with cured meats and cheeses.

Aragus is produced by Bodegas Aragonesas in the small town of Fuendejalon nestled in the foothills of the Sierra Moncayo Mountains in the northern province of Zaragoza. The extremely dry, hot climate and stark contrast between day and night time temperatures are ideal for making fruity, aromatic wines. Many of the winery's vineyards were planted over a century ago and produce very low yields of ripe, concentrated fruit. Grapes are selected and harvested from vineyards farmed organically in strict adherence to regulations adopted by the Organic Committee of Aragon. Maceration takes place in stainless steel tanks for 14 days followed by malolactic fermentation.

Founded in 1984, Bodegas Aragonesas is a 100% farmer-owned cooperative & the largest wine estate in Spain's Campo de Borja region, where grapes have been grown for over 800 years. Garnacha is indigenous to Campo de Borja & is the signature variety of Bodegas Aragonesas. The extremely dry, hot climate & stark contrast between day- & night-time temperatures are ideal for making fruity, aromatic wines from this late ripening variety. The vineyards are rocky, highly elevated & ideally exposed to the sun. In recent years, international varieties have been planted to add complexity to the estate's blends, however they use primarily old-vine Grenache. These Grenache vineyards—some planted over 100 years ago—produce exceptionally low yields, ensuring deep ruby color & rich, full-bodied flavors that are both soft & complex. At all levels, Bodegas Aragonesas' wines are approachable, balanced, smooth & fruity. At the same time, the wines are always crafted with a sense of place & respect for the qualities that make Garnacha unique.
