

BRICK & MORTAR CALIFORNIA BUBBLES BLANC CAN

Chenin Blanc and Chardonnay. Foamy, rich bubbles. Light earthy scent of hay. Green apple, grapefruit, passionfruit and jasmine with a touch of soft sweetness. Soft on the palate.

Whole cluster pressed Chenin Blanc and Chardonnay from Clarksburg.
Native ferment in stainless steel & barrels.

Old-world refinement. New-world roots. Founded in 2011, brick & mortar focuses on single-vineyard Chardonnay, Pinot Noir & Syrah from select high-elevation Napa, Sonoma & Mendocino vineyards. Their wines are elegant, balanced & food-friendly. Like the great European wineries, they believe that the best wines express a unique time & place. So they let each of their distinct vineyards speak for themselves, with minimal intervention. They pick early, ferment with native yeasts & use oak & sulfur judiciously, resulting in low-alcohol wines of grace & finesse.
