

DELTA WINES CALIFORNIA BRUT ROSÉ

100% Syrah. Fine, lively bubbles. White raspberry, watermelon, dried strawberry, and pomegranate. Tangy and bone-dry with a tart finish.

Produced entirely from direct-pressed Syrah from a sustainably farmed single vineyard in the Clarksburg AVA. Natively fermented and aged in 100% stainless steel tanks.

After seven years of producing wine for their winery brick & mortar, Matt & Alexis Iaconis created Delta for Environmental Change in 2018 so that they could make a positive change in the environment through donations to non-profit companies such as the Surfrider Foundation and Cool Effects. For every bottle of Delta that is sold, a percentage of profits is donated to the two foundations. Matt & Alexis live & make wine in Sonoma County, California with their three children.
