100% Sauvignon Blanc. Cantaloupe, passionfruit, lime, citrus blossom, fennel. Medium bodied and exuberant with good acidity. A fruit driven, refreshing easy-sipper. Pair with green salads and grilled fish.

Sourced from cool-climate sites along the California coastline, where afternoon breezes help the grapes ripen slowly and evenly. Native ferment in 100% stainless steel.

After seven years of producing wine for their winery brick & mortar, Matt & Alexis Iaconis created Delta for Environmental Change in 2018 so that they could make a positive change in the environment through donations to non-profit companies such as the Surfrider Foundation and Cool Effects. For every bottle of Delta that is sold, a percentage of profits is donated to the two foundations. Matt & Alexis live & make wine in Sonoma County, California with their three children.
