

2018 REMELLURI RIOJA BLANCO

"...[H]as to be the finest wine from Remelluri so far. It's powerful, characterful and elegant, with ripeness and concentration coupled with very good freshness...It has Mediterranean notes of hay and straw, but it's powerful and serious...with a super-chalky palate and a very tasty, almost salty finish. It has great finesse, with power and the freshness from the high-altitude vineyards and the cool year."
