Günther Steinmetz 2018 Basilisk Riesling (Mosel)

Notes of earth, cut stone and lime extend from nose to finish in this spine-tingling, laser-edged dry Riesling. Sourced from the vines on iron-rich slate of the Brauneberger vineyards, it's a delightfully spicy, smoky wine with an unmistakably Mosel thrill. Delightfully spry in its youth but should drink well through 2025 at least.
