"Rich, smooth and polished, exhibiting an array of dried apricot, pear and guava flavors that are accented by plenty of apple wood smoke notes. The lush finish surges with mineral, along with hints of peat and ginger cream." - Kim Marcus (12/2010)

"Always great, this is softer, less intense than in the past. But there is still great richness, and power as well as smoothness, burnt caramel blending well with the spirit, and finishing with its inimitable fresh acidity." - Roger Voss (11/2007)
