*"...Expansive red & blue fruit aromas show fine definition, complemented by succulent floral, exotic spices & mineral notes that build with air. Sappy, appealingly sweet & energetic in style, offering boysenberry, Chambord, candied rose & five-spice powder flavors braced by a spine of juicy acidity. The floral note repeats emphatically on the impressively long finish, which features polished tannins & reverberating red fruit character." - Josh Raynolds (2/2022)*

*"Medium ruby-purple, the 2019 Pinot Noir Belles Soeurs has alluring wild red and black berry fruits with wafts of garrigue, Earl Grey tea leaves and Angostura bitters. The palate is silky and intense with layered, graphite-tinged fruit and a very long finish that's notable for its purity and persistent perfume." - E.B. (12/2021)*
