

BROADBENT RAINWATER MADEIRA

"A light, toffee-scented bouquet with hints of creme brulee ... subtle notes of marzipan, raisin & fresh fig that ... become voluminous with aeration. The palate is sweet & spicy on the entry. It is understated at first with smoked walnut, nougat, cumin & Chinese 5-spice & it builds gently towards a harmonious, beautifully balanced finish with traces of red chillies, dried honey & walnuts. This is a wonderful Rainwater."
