JAMES SUCKLING.COM

"Spiced pears, white peaches, lemon pie, nutmeg, butterscotch & flint on the nose.

It's medium-to full-bodied with fresh acidity & a creamy, layered & complex palate. Deliciously spiced & mineral. Very solid, with aging potential. Developing beautifully into a very serious chard. Get it."

"Refined and sleekly complex, with citrus and pear flavors

joined by lemon verbena and fresh ginger accents, which build steely complexity on a snappy finish."
