92 | Terre Rouge 2020 Sierra Foothills Vin Gris d'Amador \$25 (02/22)

This rosé includes 24 percent of white varieties—grenache blanc, roussanne and viognier—that play a forceful role in the wine’s lemon peel and rich apple scents.

Its bright cherry flavors give structural solidity, while the wine gains charm and vibrancy from the white fruit. Together, it can hold up to a pastrami sandwich. —
