POINTS

"Combines ripe cherries & blueberries on the nose, a seriously big bowl of fruit, with just a light dusting of dried spices & garrigue-like shadings. Medium to full-bodied, it's fine, silky & long on the finish."

POINTS

"... Good depth & interest to the aromas here, with damson alongside some subtle resin notes. Full-bodied & powerful on the palate, the lush, fleshy plum fruit continues into the long finish... ample balancing acidity & tight, fine tannin on the finish... it's not overly polished & retains some texture & detail."
