WINE ENTHUSIAST
POINTS

"... dense, striated with tannins as well as concentrated black fruits. A sense of the freshness that comes with the vintage balances the structure. The wine will take some time to develop fully, Best after 2023. Cellar Selection."

POINTS

"A sanguine accent leads off, pulling red currant and pomegranate fruit along as this slowly opens up to reveal more damson plum, tea and iron notes through the end. The focused and pure finish shows mouthwatering cut. Cabernet Sauvignon, Merlot and Petit Verdot."

"This is spicy with some dried-meat & berry character. Medium body. Light tannins & a medium finish. A blend of 64% cabernet sauvignon, 34% merlot and 2% petit verdot. Drink now."
