"...a well-defined bouquet with blackberry, sandalwood & light smoky aromas. I like the focus & detail of this Rahoul. The palate is medium-bodied with fine tannin, crisp acidity, very refined with nicely integrated new oak & a long, quite sensual finish..."

"This fragrant, juicy wine is full of black currant fruits and ample acidity. The structure is gentle, with sweet tannins that frame lingering notes of spice and black fruit on the close."

"A firm and finely tannined red with berry, hot-stone and dark-berry character. Medium body. Lovely depth of fruit and a long, flavorful finish."
