

2016 CAPANNA RISERVA BRUNELLO DI MONTALCINO

"...rich yet elegant, with masses of crushed black cherries, sweet herbs, cloves & hints of cigar box... velvety yet not weighty, with a salty core of minerals & brisk acids that enliven its citrus-tinged red berries & exotic inner spice... persistent & structured... savory & saline in character with grippy tannins, but also a tug of residual tension that keeps the expression unexpectedly fresh."

AN EASTERLY WINE SELECTION
