POINTS

"A highly perfumed bouquet evokes fresh raspberry & boysenberry, pungent flowers & exotic spices, & a spicy nuance builds as the wine opens up. There's a compelling blend of power & finesse to the appealingly sweet red & blue fruit & floral pastille flavors, which firm up slowly through the midpalate. Closes sappy, youthfully chewy & impressively long, with reverberating floral & spice notes & well-knit tannins that add framework & final grip."

"Strawberry & cherry pie with fresh flowers & a hint of pie crust. Medium body with crushed stone & subtle fruit. Creamy & polished texture to the finish."

POINTS

"Detailed & structured, with boysenberry, sweet anise & fresh violet accents that gather tension & richness toward refined tannins. Drink now through 2029."
