WINE ENTHUSIAST  
POINTS

*"Smoky, earthy, anise & dark-chocolate aromas give way to concentrated, layered black-plum, clove & blackberry flavors as this full-bodied wine seems to expand on the palate. Its texture is richly tannic & the mouthfeel is generous, prolonging the lush flavors on the finish. A perennial standout, this wine has proven it can age well."*

WINE & SPIRITS  
POINTS

*"A selection of Terre Rouge's best barrels... ages in mostly new French oak for 2 years, then in bottle prior to release. The wine feels cool, even in the presence of its alcohol, ending brisk & zesty."*
