"Wild and vibrant nose of rosemary, cherry stones, small strawberries, violets and seaweed.

So fresh, with a medium body and powdery tannins. I like the persistent fine, chalky texture. Unfiltered and unfiltered. Drink or hold." (3/2023)

"Sleek, graceful and elegantly proportioned, with expressive violet, raspberry, guava and black tea flavors that jump out of the glass & gather richness toward polished tannins. Drink now through 2032." (TF)(1/2023)
