POINTS

*"...[A]n idealized version of [Cathy Corison's] benchland cab sauv, holding on to the elegance she regularly achieves, while adding a luscious textural beauty that more often comes from bottle age... Warm & explosive in its energy, this wine carries an imprint of the benchland soils in the play of darkness & light, in the detailed tannins that make you crave another taste." (10/22)*

POINTS

*"A very fresh, floral-laced style, offering a bright beam of cassis & plum gelée laced with flashes of violet, hibiscus & rose petal. Nicely grounded through the finish, with alder & warm earth hints filling in. Approachable, but this has more to show in time. Best from 2023 through 2036." (JM) (10/2022)*

POINTS

*"Savory & complicated in saline, woody notes of cedar & dry tannin, this old-school wine is dark & structured, aged 20 months in French oak, half of it new. Brooding black fruit & clove give it an edgy richness that is restrained & balanced by underlying acidity. Enjoy best 2029–2039." (10/22)*

*"A perfumed nose of blackberries, dark cherries, cedar, cocoa & nutmeg. Violets too. Medium body with fine tannins & bright acidity. Fresh & refined with a bright core of wild fruit & a long, flavorful finish. Drink or hold." (JS) (11/2021)*
