

# CHÂTEAU LE BOSCOQ SAINT-ESTÈPHE CRU BOURGEOIS

Cabernet Sauvignon, Merlot and Petit Verdot. The Château Le Boscq terroir once again shines to perfection. Aromas of ripe blackberry, develops toasty, slightly charred notes and aromas of precious woods typical of the estate. Initially silky-smooth, it immediately gains in stature, its delicious mouthfeel mingling with fruit and spicy notes, underpinned by an impressively smooth tannic structure. Revealing great harmony overall, the wine lingers in an elegant, complex finish.

From a vineyard that covers 44 acres in Saint-Estephe, Bordeaux, France. The soil is high and deep Garonne gravel hillocks on a clay subsoil. The grapes are harvested by hand using small crates, per plot. Optical sorting. Fermentation in stainless-steel vats of various capacities. Malolactic fermentation partially in barrels. Aged in oak barrels (38% of which are new) on fine lees.

Since 1995, Dourthe has been passionate about this little gem of Saint-Estèphe. Located on a magnificent land, on the front line facing the Gironde Estuary, it is commanded by a majestic residence that bears witness to a rich and ancient history. The vineyard of Château Le Boscq produces great typical red wines, which elegantly combine the power of Saint-Estèphe with an unusual finesse. Classified in 2020 Cru Bourgeois Exceptionnel, Château Le Boscq is a Grand Saint-Estèphe with an elegant character, harmoniously combining the power of Cabernet-Sauvignon and Petit Verdot with the finesse of Merlot.
