

WEINGUT LOERSCH TRITTENHEIMER APOTHEKE RIESLING KABINETT

100% Riesling. Slim, filigree with only 8% alcohol. Fragrant bouquet of yellow fruits, citrus, fine sweetness and flinty spiciness. Wonderfully complex and playful with perfect harmony of sweetness and acidity. Fine fruity acidity, tart orange zest and slately minerality. Long, fruity finish. A wonderfully drinkable Kabinett (sweet) Riesling.

The Loersch winery sits high up on the Zummethöhe above the Moselle loop between Leiwen and Trittenheim, Germany. From the Trittenheimer Apotheke vineyard, one of the most important and best-known steep vineyards on the Mosel. Due to the near-natural cultivation without mineral fertilizers and with natural greening, the soil remains alive and offers a habitat for a wide variety of animals, insects and wild herbs.

Selected vines in classic steep slopes, selective hand picking, gentle grape processing, spontaneous fermentation in stainless steel tanks with natural yeasts.

Viticulture is the center of Alexander's life. As it has been for generations before him. Winegrowing in the family can be traced back to 1640. Today, Alexander Loersch runs the family business and is actively supported by his entire family. His father Ernst Albrecht successfully managed the winery until 2008. As early as 2002, Alexander took over the management of the cellar and began to implement his philosophy of terroir-influenced, single-fruited, long-lived wines that are typical of the location and vintage. The focus here is clearly on the Riesling. It is important to him to give the wines their own individual character.
