

# ZACHARIAS MALAGOUZIA WHITE

100% Malagouzia. Light yellow color with green highlights. Great aromatic vivacity, which is dominated by flowers and exotic fruits such as melon, peach, and apricot accompanied with rich flavors of pineapple and grapefruit. It has an elegant and subtle mouth with a strong presence of white-fleshed peaches. Dry and well balanced. A fine, crunchy wine, with a lasting aftertaste. Serve chilled. Pairs perfectly with fried fish, Asian cuisine, fresh salads, and white cheeses.

From the Zacharias family's own vineyards in the Selkia Leontiou location, 380 meters above sea level in the Municipality of Nemea Valley, Corinth, Peloponnese. The first Zacharias vineyards were planted in 1962 around the village of Leontio, where wine has been produced for centuries. They are mainly on slopes and today cover about 100 acres of land. The winery combines harmonically traditional elements and state of the art technology. Prefermentary cryoextraction for 10-12 hours, followed by controlled temperature fermentation in stainless tanks.

The history of both the family's winery and vineyards dates back many years. Zacharias Vineyards is the largest private winery of its region and carries a rich historical past. One of the oldest and most historic wineries in Nemea, it has been operating since 1960. It is now one of the major wineries of the region, as well as one of the fastest growing companies in the wine industry. The heart of Nemea vineyards, located just over a mile outside the city of Nemea on the provincial road, is facing the hill where the acropolis of ancient Fliounda used to dominate. In ancient times, the area gave its name to the famous *fliassios oenos*, or wine from Fliassia country.
