

DOMAINE DE LA TERRE ROUGE 2015 ASCENT SYRAH (SIERRA FOOTHILLS)

*"Smoky, earthy, anise and dark-chocolate aromas give way to concentrated, layered black-plum, clove and blackberry flavors as this full-bodied wine seems to expand on the palate. Its texture is richly tannic and the mouthfeel is generous, prolonging the lush flavors on the finish. A perennial standout, this wine has proven it can age well. Best after 2025." *Top Cellar Sections 2018* - JG (11/2018)*

Terre Rouge means "Red Earth". This vermilion-colored soil is one of the hallmarks of the region. The vineyards are in soils that are largely granite and volcanic-based. High elevation sites up to 3200' contribute to the complexity of the wines. Ascent Syrah represents the pinnacle of Syrah production at Terre Rouge. Each year Bill Easton crafts this Syrah from several Sierra Foothills vineyard sites ranging up to 3000' elevation. Eight of their very best barrels of Syrah are selected to make a meager 400-600/6 packs of this luxury cuvée. All of the grapes were grown in selected Syrah sites scattered throughout the Sierra Nevada in granite and volcanic-based soils. The grapes were macerated for two weeks in an open-top fermenter with punch-downs two to three times a day. The wine was aged for 23 months in new French oak barrels and lightly fined prior to being bottled unfiltered.

Terre Rouge and Easton Wines is located on the West Slope of the Sierra Nevada in Amador County's Shenandoah Valley. An artisan winery established in 1986 by Bill Easton and Jane O'Riordan, they make 30 different wines, most of them very small lots. Each is unique and site-specific with a sense of place all of their own. The Terre Rouge portfolio is composed of wines made from Rhône varietals grown in the rugged and varying terroirs of the region. The vineyards are farmed sustainably; they mow and plow and don't use chemicals. Their goal for the last 25 years has always been to make the finest wines possible that can be placed on a table with the best wines of the world.
