

J. BOUCHON CANTO SUR

Carmenere, Carignan and Pais. A blend that echoes Chile's historic and signature varietals. Aromas of Mediterranean herbs and red fruit on the nose lead to great acidity and juiciness on the palate. Finish is lively and the perfect balance of freshness and rusticity. Enjoy with steak, barbeque and aged cheeses.

CantoSur is a tribute to the Bouchon family's new roots in Chile. It is sourced from the Mingre Vineyard at 630 feet altitude in the Maule Valley, Chile, which has a dry, coastal climate. The average age of the vines is 49 years, the Pais vines are over 100 years old. The wine is aged in concrete tanks for 4 months.

Bouchon Family Wines began in the late 19th century when young viticulturist Emile Bouchon left Bordeaux, France for Chile. Today, Julio Bouchon and his children carry on their 4th generation family winemaking tradition in the Maule Valley. With their in-depth soil research and innovative winemaking, Bouchon is preserving the historic character of the Maule Valley with distinctive, terroir-driven wines. Each J. Bouchon wine is certified sustainable by the Wines of Chile Sustainability Code. The winery practices sustainable farming along with use of horse-plowed fields and dry farming to preserve their historic vineyards.
