WINEENTHUSIAST
POINTS

"Aromas of ripe tropical fruits, honeysuckle & almond lift from the glass as subtle mineral notes weave between...bursts on the palate as if biting into a ripe yellow pear, its juices running down your face, while the skin adds a savory edge to balance the fruitiness...lifts the palate with its energetic acidity as wave upon wave of nuanced savory & mineral notes add to the complexity...Drink now – 2040." Jeff Porter (12/31/24)
