

# WEINGUT EVA FRICKE 2023 RIESLING KIEDRICH

*"...[D]eep, intense & complex on the remarkably bright, refined & elegant, saline & flinty nose. Full-bodied, rich yet elegant, fresh & saline...remarkably intense & complex minerality that not only balances the power & full body of this stunningly persistent village wine but also uplifts its complex finish. Is it really a village wine & not a hidden, long undiscovered grand cru? The finish is intense, saline & long & reveals fine tannins, citric notes & a blend of calcareous & slatey features." (August 2024)*
