

BROADBENT SELECTIONS NORTH COAST CABERNET

Cabernet Sauvignon, Petit Verdot, Cabernet Franc and Merlot. A deep, rich ruby red color with intense black fruit aromas of blackberry and black cherries. Hints of eucalyptus, bay leaf and mint offer a fresh, earthy complexity. The palate is bold and concentrated, with flavors of ripe blackberry and plum. A long finish with layers of dark chocolate, coffee and a touch of minerality.

Harvested from prestigious vineyards in California's north coast appellation. Vineyards planted between 2007-2010. Following a warm fermentation process that involved keeping the juice in contact with the skins for 2 weeks, a gentle pressing was carried out with pump overs to optimize flavor extraction. The fermentation was carefully managed using inoculated yeast and took place in tanks, ensuring precise control over the development of the wine's profile. Aged for 10 months in French oak barrels.

Bartholomew Broadbent, a renowned wine expert and importer since 1996, founded Broadbent Selections to represent family-owned wineries from around the world. In addition to championing these producers, he has created his own line of wines inspired by regions where he and his family share deep historical and personal ties. Bartholomew, wine is more than a beverage—it's a celebration of family, friendship, and adventure. His love for California's North Coast wines began with a Cabernet Sauvignon sourced from vineyards owned by a family he has been friends with for over 35 years. Building on the success of the Broadbent Cabernet Sauvignon, Bartholomew introduced a North Coast Chardonnay and Central Coast Pinot Noir that continues his tradition of offering affordable wines with exceptional quality.

AN EASTERLY WINE SELECTION • BELFAST, ME
