

CANTINA GORGO BARDOLINO CHIARETTO DOC

Corvina, Rondinella and Molinara. Crystal-clear, brilliant salmon-pink hue. Highly aromatic with a fresh summer bouquet. Highlights crisp notes of wild berries, raspberries, sour cherries and grapefruit, with subtle layers of pomegranate, elderflower and lemon balm. Lively, youthful and wonderfully snappy, it balances a juicy, silky fruit texture with a distinct mineral character. Very clean, dry and persistent, closing with a refreshing finish that carries hints of rhubarb tartness. Incredibly versatile, it pairs brilliantly with pizza, pasta, seafood salads, summer vegetarian dishes, grilled fish or soft young cheeses. Organic.

From Estate vineyards in the morainic hills southeast of Lake Garda, just south of the village of Custoza within the province of Verona, Veneto, Italy. Glacial-morainic soils packed with silt, clay and calcium-rich pebbles. This light, light-colored soil acts as a natural heat reflector and Lake Garda acts as a thermal regulator that moderates temperatures, creates cool evening breezes and mitigates frost risks. The grapes are harvested by hand in the cool of the morning. Short cold maceration on the skins for 6-8 hours. Fermentation at controlled temperatures. Matured for roughly 3 months on its fine lees in open stainless-steel tanks to build structure and finesse.

Roberto Bricolo started Gorgo back in 1973 with 54 acres. Today it stretches over 150 acres, almost all part of the "Bianco di Custoza" and "Bardolino" production areas. He runs the estate with the help of his daughter Roberta and has been supported for almost thirty years by a wise and skilled agronomist. The wines are fresh and direct, with a winning minerality, and have been widely recognized by Gambero Rosso and the rest of the Italian wine press.
